pers something said to read in the pa-tiews of Columbia students, whereas these views were held only by a small group successful in getting publicity, mostly found in the School of Journal-

Glat of the Resolutions.

The resolutions were finally put be-the meeting and passed. They read part: "It is the sense of this meetbe requested to declare publicly that freedom of thought and expression are not to be suppressed in this university and that student organizations will here after, as heretofore, be permitted without interference and impediment to hold out interference and impediment to hold thich meetings on the campus as they feem necessary and advisable for their cultural development."

A death threat was introduced yester-day Montreal newspaper has been created a Waxy Gordon, for the murder in a gang fight of Frederick Straus, an elderly client of Frederick Straus, an elderly dian to sit in the British House of Judge Crain in General Sessions, which has been listening to the testimony for last the trial of Irving Wechsler, alias Montreal newspaper has been created a Waxy Gordon, for the murder in a gang fight of Frederick Straus, an elderly client of the City Court. The jury before Judge Crain in General Sessions, which has been listening to the testimony for Montreal that King George had conferred this honor on Sir Hugh Gratural development." Cultural development."
When the resolutions were put to a vote there was a perfunctory chorus of "ayer" and then the "noes," who had

idently been well coached, came in the a sell that made the affirmative old small! However, when the hands are raised and counted it was found that the "ayes" had it by a large major-ity and the resolutions went through.

And when the students, girls and boys, filed out through the corridor there was Ben Reitman. Anarchist, giving out in-vitations to attend lectures on birth con-trol. He violently chewed gum and didn't seem to mind even if he was in a place where philosophy is discerned for place where philosophy is dispensed for the absorbent young mind. Hen just handed out his circulars and chewed.

C. C. N. Y. TO TRAIN OFFICERS.

Mass Meeting To-day to Enroll

Students for Course. Plans to introduce theoretical military

Plans to introduce theoretical military instruction, which was authorized by the heard of trustees of the College of the City of New York and approved by the faculty, before the present term explices, are now under way.

A mass meeting to enroll students for service in the Home Defence League will be called to-day by President Meser. An ong the speakers will be George P. McAneny. Inspector Dwyer and Col. Charles E. Ledecker. Cards hearing twolmant applications were distributed.

The course of study will be the same as that at Cornell University, which as that at Cornell University, which as that at Cornell University, which is course the may, after completing this course, choose such courses as will fit thin for a higher appointment in the Officers Reserve Corps.

And the Hotel Biltmore and that the mother, Sestides breaking the lease of her apartment in West Englished.

Sugar Shortage in Prospect.

A widespread shortage in the sugar supply is in prospect as a result of the general strike of sugar workers along the Atlantic seaboard. The price of sugar has risen in Williamsburg to fifteen cents and in Philadelph. on nine-teen cents a pound. Sympathetic strikes are said to have been started by the Li. W.-W.

COURT TELLS ARTIST TO GET REGULAR JOB

Keep Wife From Working as Movie Actress.

If Andrew Kaas of 964 St. Nicholas avenue will give up his ambition to be a great painter and get a regular job at \$15 a week his wife, Josephine, a motion STIR OVER TOLSTOY CASE parents at 236 East Eighty-seventh street, will be up the films and live picture actress, who now lives with her site will e up the films and live with him again. That is what she told Magistrate Cornell yesterday in the Court of Domestic Relations. She had Kars summoned because for ten weeks h. had failed to pay \$3 weekly for the support of their three-year-old child.
"I still love my husband," said Mrs.
Kass, "but we can't live on air. Inan't make anything trying to be an

Mrs. Kans is 21 years old; her husthe Columbia University were somewhat band is 23. They were married four disturbed yesterday when Frank Tan-years ago, and for two years they were membrum and Ben Reitman, the Anarchis: happy. Then Mrs. Kass began wanting to dress well, and neither of them could supporter of Emma Goldman, and other shining fights of Uberalism invaded those classic shades to say what they thought about the banishing from Columnumber of motion picture studies.

Kaas told Magistrate Cornell he hadn't made a nickel with his art in several didn't deliver a lecture on his father's made a nickel with his art in several works last Saturday because J. D. weeks, so the Magistrate adjourned the
